Dear students, parents & carers,

Invitation to Rodillian Sixth Form Open Evening

I am delighted to be able to invite you Rodillian Sixth Form Opening evening on **Thursday 4 November 2021**. This year we are opening the invitation to all internal and external students in years 10 and 11. The evening will provide students with the opportunity to explore the courses on offer at Post 16, hear from our careers advisor, pastoral team and meet our current students.

Rodillian Sixth Form is a central part of Rodillian Academy, we have designed an atmosphere and environment to promote the highest level of achievement through intellectual challenge, outstanding pastoral care and both focused and rigorous exam preparation. Our curriculum has a range of academic and vocational courses along with additional opportunities such as the Enhanced Project Qualification (EPQ).

Pass Rate	100%
Grades A*-B	60%

Our values of aspiration & achievement focus on personalised pastoral care, support and guidance which help our students thrive in a caring and warm community environment. Our Sixth Form advisors have strong links with universities in the UK and we have proved to be very successful in helping students achieve their academic and career aspirations. Students can set themselves apart through studying for the EPQ, joining our Career Ready programme or developing key skills as part of our student ambassador team.

As Head of Sixth I am passionately committed to the welfare, achievement and well-being of students and believe we provide an excellent platform for students to thrive and challenge themselves in order to reach their full potential. Students' life chances are at the heart of everything we do and this makes Rodillian Sixth Form the perfect place for students to achieve their goals.

We welcome students from Rodillian and beyond to join us in November to explore the opportunities that studying at Rodillian Sixth Form can bring. I will be delivering two presentations on the evening, the first beginning at **5:15 PM** and the second at **6:15 PM**.

Please scan the QR code to register your interest and we look forward to seeing you there.

Yours sincerely

Emma Robinson-Coe
Deputy Head teacher / Head of Sixth Form
