### FAQs

- Do I have to attend a taster for every subject I have picked?  
It would be great if you could but it isn't a requirement. You may change your mind about your options and use these events to look at different subjects.
- What if I can't attend?  
Don't worry! Enrolment day is on 25/26 August, this is the most important event to ensure you secure your place. Get in touch if you would like to book a tour on a different day.
