### **Sequence of Units:**

Units are based on covering a range of key business knowledge through projects to excite and engage students in the business curriculum.

## Implementation:

Course materials are pre-prepared for all units. Notes are made by students (not marked).

Case studies/ work sheets/ activities are available to use throughout the course.

Understanding and progress monitored within lessons through Q&A/ quizzes.

End of unit reflection activities are recorded with students self reflecting and teachers providing feedback.

### Recall of Material:

Starter activities will be utilised to recap on prior learning and projects are interleved to ensure key topics are revisited throughout the year.

The final term will be used to consilidate key learning through a bespoke project.
